DEPARTMENT OF EDUCATIONAL TECHNOLOGY

2021/2022 FIRST SEMESTER EXAMINATION

Course Code/Title: EDT 313/Instructional System Design II

Time Allowed: 2 Hours

Course Lecturer: Dr. Oluwole Caleb Falode

Instruction: Read the introduction carefully, plan your write-up and answer all the questions in a sequential order.

In modern history, internal strife and violence have constantly been on the rise globally, and have been a major burden to Africa's most populous nation, Nigeria. The country in recent time has witness dramatic increase in violence, terrorism, robbery, rape, banditry and kidnapping. Very unfortunate is the fact that many educational institutions and facilities are being attacked by bandits in Nigeria. The negative effect of insecurity on the Nigeria educational system could result to fallen standard of education, school children resorting to social vices and drop in school enrolment rate.

As a seasoned instructional design specialist, you have been contacted to develop a courseware Study Unit to sensitize and equip university education students with adequate knowledge on insecurity as it affects the education sector.

1. What appropriate title would you give the Study Unit?
2. Write a short introduction for the Study Unit putting into consideration the structural, thematic, and guidance components.
3. State five learning objectives you will consider as learning outcomes.
4. Itemize the sub-topics that will form the main content.
5. For each of the sub-topics, state two SAEs.
6. In line with 1-4 above, write a befitting one-paragraph conclusion.
7. In line with 1-5 above, itemize five key points as summary.
8. Write five TMAs.
