SVG514: Survey Laws and Regulations
First Semester Examination, 2017/2018 Session
Answer any 4 Questions
DURATION: 2.5 Hours

1. With the creation of more states since the inauguration of SURCON and the possibility of more states in the future, discuss the composition of the Surveyors Council of Nigeria with particular reference to size, effectiveness in policy making and implementation. Suggest or propose with reasons what you may consider a reasonable composition of the council.
2. (a) Discuss what constitute offences and misconducts under the SURCON Decree 44 of 1989.
(b) Give details of the stages of trial that an accused person must pass to ensure justice and fairness.
3. Has SURCON served the purpose that called for its birth? Discuss
4. Has the Land Use Act (LUA) been able to address the anomalies that called for its enactment? Discuss
5. Discuss exhaustively the provisions of Decree 44 of 1989 as they relate to
 - (a) Functions of SURCON
 - (b) Registration
6. The Annual General Meeting (AGM) organised by the Profession every year in each State of the Federation has contributed greatly to its growth or is it an exercise in futility? Discuss.
