

**SCHOOL OF ENVIRONMENTAL TECHNOLOGY,
DEPARTMENT OF ARCHITECTURE.**

Project Brief for Arc 220 (BLD). 2018/2019 Session

Course title: Architectural Design for the built environment

The design is that of a single-family bungalow with the necessary facilities and furniture. You are required to choose any of the three (3) major ethnic groups in Nigeria, and incorporate their socio-cultural factors that influence their housing form. The design is to reflect traditional characteristics yet be modern to fit in our present era.

Requirements include:

- | | | |
|--------------|-------|-------------|
| • Floor plan | (1no) | scale 1:100 |
| • Roof plan | (1no) | “ “ |
| • Sections | (2no) | “ “ |
| • Elevations | (4no) | “ “ |

*****Note**

All drawings should be on A3 paper

All drawings must be neatly drawn and well rendered.

Final submission should be done in a portfolio.

Submission is on or before **25th October 2019**
