IMT 341, Second Semester 2017/2018 Examination

1. Comment on any six (6) qualities of a good multimedia photojournalist.
2. With clear examples, highlight any six (6) grammatical rules that should be observed in writing good photo captions in multimedia journalism.
3. Discuss any four features of a digital camera, pointing out how the features contribute to the quality of an image produced.
4. Photo cropping for content suggests that a photograph with shortcomings is corrected before it is published. State any three such shortcomings and explain how each could be corrected through photo cropping.
